

## Questions for Reflection and Discussion

1. In Genesis 2, why was it not good for man to be alone? What does the context of those verses tell us about the answer to that question?
2. Think about a time in your life when you felt very lonely and another time where you felt a great sense of belonging. In both cases, what factors contributed to that sense?
3. What do you feel are the greatest barriers to finding the type of relationships you desire with other people? Why do those relationships seem so hard to find or hold onto at times?
4. What expectations do you place on other people that really can only be fulfilled in God? How do you see that playing out in those relationships? Are you creating issues and pressures that wouldn't be there if you didn't have those expectations of the other person? What do you need to ask of God that truly only he can provide for you?
